Connah's Quay Low Carbon Power
Statutory Consultation

Tuesday 8 October 2024 to Tuesday 19 November 2024

Uniper UK Limited (hereafter referred to as 'Uniper') is exploring the potential development of a new gas-fired power station with carbon capture technology at its Connah's Quay site, the Connah's Quay Low Carbon Power (CQLCP) project.

Our Statutory Consultation will be taking place from **Tuesday 8 October 2024 to 11:59pm on Tuesday 19 November 2024**.

We will be holding a series of public information events to provide you with an opportunity to view our updated plans in detail, speak with members of our project team and give your feedback on our proposals.

Please scan the QR code to register for our webinars.
